
Action Plan To End Child Marriage

— World Youth Foundation —
International Conference 2016

1) Education for child on sexual education and rights

Action:

- Raise awareness of sexual education
 - Educate boy and girls about safe sex and consequences of early pregnancy
 - Action Plan:
 - Have partnership with both public and private schools to promote proper sexual education

Timeline:

3-6 months

2) Raise awareness on the effect of Child Marriage in Refugee Communities

Action:

- Organise games, workshops, drama, debate activity and social charity event
- Engaging adult stakeholders (E.g: Teachers, Parents, Community Leaders)
- Advocate humanity
- Timeline:

6 months

3) Advocate to specific international standard of the Legal minimum Age of Child Marriage

Action:

- Specifying the Minimum age of child marriage by the legal provision
- Engage and cooperate with the member states (E.g: Judicial department)
- Publishing research and articles in academic journals

4) Promote Entrepreneurship for local community members

Objective: Reduce unemployment rate in the community

Actions:

Organise Entrepreneurs Campaign :

- Individual and groups present a business plan including operation process, resources, marketing ideas
- For a business plan to receive funding: they have to employ at least one woman and have at least three employees

5) Advocate to restrain Children's access of sexual material on social media and mainstream media

Action:

Raise awareness through organizing campaign via mass media
collaborate with Cyber security department

6) End the concept of Dowry

- **Campaign “Say no to Dowry”**
- Connect schools and universities
- Organise Ceremony to stand against child marriage and Dowry
- Take Oath to say no to Dowry

7) Approach to local community to promote the prevention of Child Marriage

Action:

- Implement Rural Education to change the perspective of child marriage
- Work with NGOs and volunteer students
- Train community members with life skills to help them get rid of poverty
- Improve the livelihood of local community
- Teach community members about the negative impact of child marriage

8) Global Online Platform to promote Gender Equality and Value Education

Action:

- Create a website/Page to advocate Gender Equality information
- Discussion platform
- Volunteer Application Link for people from around the world to apply to work in developing countries
- Provide Value Education information to address girls dignity

9) Create Leadership Programs for men, women and youth to become the advocates to end child marriage

Action:

- Organize Leadership, advocacy and social accountability training
- Inform participants about the legal aspect and negative consequences of child marriage

10) Heal the trauma of the victims of child marriage

- Provide them with counselling
- Set up support groups for girls and women
- Train participants on Parenting skills
- Partnership with NGOs and psychologist

11) “Voice Circle” - Women Support Training Group

- Organize Mentor Mentee Programs for female
- Emotional supports
