Development Program

ACHIEVEMENTS

At the time of Independence Child Marriage was very prevalent below the age 10 but in 2001 it became ZERO.

Till 2009, Government achieved 46% downfall on child marriage below the age 18, Out of 13 million Child Marriage Annually

Current Child Marriage ratio is average 6% of total child population of country.

Conclusion

1. To control on Child Marriage We require to empower women globally with equal rights – mean need to promote Gender Equality.
2. Promote Girl Child skill based education
3. Help them to become Self depended
4. Self Defense Training for Girl Child Safety n Security
5. Confidence building Program – Women are Equal to Man

THANKING YOU
